Graduate Program in Applied Linguistics

Congratulations on receiving an offer to study Applied Linguistics in the Faculty of Arts at the University of Adelaide. We hope your experience will be enjoyable and rewarding.

If you have questions at any time throughout your studies, please contact the School of Humanities on Ph 8313 5627 or email catherine.amis@adelaide.edu.au. The Linguistics homepage will also be a useful resource at www.arts.adelaide.edu.au/linguistics/pg.

The Program Coordinator can be contacted as follows:
Dr John Walsh
Room 924, Level 9, Napier Building
Ph 8313 5196
Email john.walsh@adelaide.edu.au

Teaching staff include Professor Ghil’ad Zuckermann, Dr Rob Amery and Dr John Walsh.

Enrolment
Once you have been made an offer, a Welcome letter will be posted to you from the University. The letter will include your username and password. You will then be able to enrol online via Access Adelaide available through the Unified portal from 11:30am on 12 February 2015.

How to Enrol:-
2. Select ‘Access Adelaide’ from the menu on the left hand side.
   • Complete your Enrolment Checklist (which includes entering your contact details and selecting your payment method/applying for FEE-HELP).
   • Enrol in your semester or term course/s, by selecting ‘Enrolment’ from the ‘Student’ menu on the left hand side and adding the class number for each course. Course details and class numbers are provided overleaf. To enrol in a course, click on ‘Add’.
     - Once you have added the course you will need to select ‘Save’.
     - Continue to enrol until you have added all your classes for each semester/term. You can then print your enrolment list and/or a weekly timetable.
3. Once you have completed your enrolment you can obtain a student identity card. For further information, visit: www.adelaide.edu.au/unicard/student/
5. ‘Like’ the Faculty’s Facebook site to receive important updates at www.facebook.com.au/arts.uofa.
6. Make yourself familiar with the critical dates so you are aware of the last days to enrol, pay fees, and withdraw from courses: www.adelaide.edu.au/student/dates/critical

You will be able to enrol from any computer with internet access either on or off campus once you have received your username and password. You should enrol as soon as possible and no later than the critical dates provided below.

A step-by-step guide to enrolling is available on the University’s enrolment website at www.adelaide.edu.au/enrol/instructions/how/

If you need assistance, please contact the Humanities and Social Sciences Faculty Office on Ph 8313 5245 or email faculty.arts@adelaide.edu.au.

All changes to your enrolment, e.g. a withdrawal, must be completed online via Access Adelaide. You should be aware that critical dates apply for each course. These dates are important. If you intend to withdraw from a course, you must do so on or before the census date or you will incur a financial liability, i.e. you will still have to pay for the course and you will have a WNF or WF grade recorded on your academic record.

**Program Requirements**

The Graduate Program in Applied Linguistics is offered at the following levels:

- Graduate Certificate in Applied Linguistics
- Graduate Diploma in Applied Linguistics
- Master of Arts (Applied Linguistics)

Detailed program rules for all levels of award are available in the University Calendar at www.adelaide.edu.au/calendar/pg/arts

Information about individual courses, including class numbers for enrolment, timetables, tuition fees, and critical dates, are available via the Course Planner website at https://access.adelaide.edu.au/courses/search.asp or the Applied Linguistics homepage at http://arts.adelaide.edu.au/linguistics/pg/. Please note that some courses are offered on rotation biennially.

Please note that The University of Adelaide reserves the right to discontinue or vary programs and courses without notice.

**1. Graduate Certificate in Applied Linguistics**

1.1. Students enrolled in the Graduate Certificate in Applied Linguistics are required to complete courses to the value of 12 units, chosen from the following:

LING 5004 **Meaning as Choice** .........................................................................................................................6 units
LING 5011 Language, Learning and Linguistics (not available in 2015) .................................................. 6 units
LING 5020 Discourse Analysis ................................................................................................................. 6 units
LING 5022 Linguistics Research Seminar I ............................................................................................... 3 units
LING 5023 Linguistics Research Seminar II ............................................................................................... 3 units
LING 5103 Directed Study in Linguistics .................................................................................................... 3 units
LING 5112 Field Linguistics (not available in 2015) ................................................................................... 6 units
LING 5113 Language Planning .................................................................................................................. 6 units

2. Graduate Diploma in Applied Linguistics

2.1. Students enrolled in the Graduate Diploma in Applied Linguistics are required to complete courses to the value of 24 units.

Students may complete 24 units of Applied Linguistics courses chosen from 2.2., or

To achieve a major in TESOL, 12 units of Applied Linguistics courses chosen from 2.2., and 12 units of TESOL courses chosen from 2.3:

2.2. Applied Linguistics Courses
LING 5004 Meaning as Choice ................................................................................................................ 6 units
LING 5011 Language, Learning and Linguistics (not available in 2015) .................................................. 6 units
LING 5020 Discourse Analysis ................................................................................................................. 6 units
LING 5022 Linguistics Research Seminar I ............................................................................................... 3 units
LING 5023 Linguistics Research Seminar II ............................................................................................... 3 units
LING 5103 Directed Study in Linguistics .................................................................................................... 3 units
LING 5112 Field Linguistics (not available in 2015) ................................................................................... 6 units
LING 5113 Language Planning .................................................................................................................. 6 units
LING 5114 Research Methodologies in Applied Linguistics ..................................................................... 6 units

2.3. Teaching English to Speakers of Other Languages (TESOL) Courses:
EDUC 5418 Intro to English Language Studies for teachers .................................................................. 3 units
EDUC 5419 Language and Culture ......................................................................................................... 3 units
EDUC 5420 TESOL in Practice – Lesson Planning and Teaching Practical ........................................... 3 units
EDUC 5421 TESOL Methodology .......................................................................................................... 3 units

3. Master of Arts (Applied Linguistics)

3.1. Students enrolled for the degree of Master of Arts (Applied Linguistics) are required to complete courses to the value of 48 units.

Students must complete Applied Linguistics courses to the value of 36 units selected from 3.2 and the 12 unit Research Dissertation listed in 3.4., or

24 units of Applied Linguistics courses listed in 3.2, 12 units of TESOL courses listed in 3.3 (to achieve a TESOL major), and the 12 unit Research Dissertation listed in 3.4.

3.2. Applied Linguistics Courses
LING 5004 Meaning as Choice ................................................................................................................ 6 units
LING 5011 Language, Learning and Linguistics (not available in 2015) .................................................. 6 units
LING 5020 Discourse Analysis ................................................................................................................. 6 units
LING 5022 Linguistics Research Seminar I ............................................................................................... 3 units
LING 5023 **Linguistics Research Seminar II** .................................................................3 units
LING 5103 **Directed Study in Linguistics** .................................................................3 units
LING 5112 **Field Linguistics (not available in 2015)** ..................................................6 units
LING 5113 **Language Planning** ..................................................................................6 units
LING 5114 **Research Methodologies in Applied Linguistics** .......................................6 units

3.3. TESOL Courses:
EDUC 5418 **Intro to English Language Studies for teachers** .................................3 units
EDUC 5419 **Language and Culture** ............................................................................3 units
EDUC 5420 **TESOL in Practice – Lesson Planning and Teaching Practical**  ..........3 units
EDUC 5421 **TESOL Methodology** ............................................................................3 units

3.4. Research Dissertation
All students must complete a research dissertation of approximately 18,000 words
LING 5501 **Dissertation in Linguistics (full-time)** ....................................................12 units
or
LING 5502A and LING 5502B **Dissertation in Linguistics (part-time)** ........................12 units

Deferring Your Enrolment

If you wish to defer your enrolment in Applied Linguistics to 2016, please email your request to arts@adelaide.edu.au and cc catherine.amis@adelaide.edu.au.

If you are an international student who wishes to defer commencement to a date not specified in the Offer Acceptance Agreement, please advise the International Office of your preferred commencement date by using the Online Enquiry form at http://international.adelaide.edu.au/enquiries.

Orientation Week (23-27 February)

Activities will be offered during orientation week for on-campus students to make them aware of resources and facilities at the University. A schedule will be available online in mid-January at www.adelaide.edu.au/student/firstyear/orientation. International students also are encouraged to attend the University's international student orientation activities during the week of 16 February; see www.international.adelaide.edu.au/living/orientation for more details.

Upgrading to a Higher Level of Award

If you wish to upgrade to a higher level award within Applied Linguistics, e.g. from the Graduate Diploma in Applied Linguistics to the Master of Arts (Applied Linguistics), you should complete an internal transfer application form and submit this to the University's Admissions Office for processing. You can submit an application at any time and the application will be processed for the next available semester, pending eligibility. The criteria for upgrades and the application form can be accessed at www.adelaide.edu.au/student/admission/internaltransfers/pgcw.html

International students will need to complete an internal transfer application available on the International Office website at www.international.adelaide.edu.au/enquiries (the enquiry form for transfers is available when applications are open).

Once you receive your offer to the new program, it is important to enrol into your courses under the new program rather than under your existing program. If you do not enrol your courses into the correct program, the offer will lapse and you will have to re-apply to upgrade at a later stage. Your enrolment record also will be incorrect. For further advice, contact the Faculty of Arts on 8313 5245.

Payment of Tuition Fees

Early in each term or semester, you will receive an online invoice through Access Adelaide. An email will be sent to your Student Web Mail account when an invoice is available. Payment due dates will be indicated on your invoice. Hard copies of invoices are not posted.

To view your invoice, log in to Access Adelaide at https://access.adelaide.edu.au/sa/login.asp and select:

1. My Finances
2. My Invoice

Students are also charged a Student Services and Amenities Fee (SSAF) which contributes toward the provision of student services and amenities at the University. Further information is available at www.adelaide.edu.au/student/finance/ssaf
Student Services

Your username and password give you access to online services and campus computer suites. This includes the Unified Portal, Access Adelaide, MyUni, Wireless Network, Student Web Mail, and University of Adelaide Library Electronic Resources. It is important that you regularly check your student email account as the University will correspond with you via this method. If required, you can redirect your student email account to an alternative address. For further information, visit the ITS Student Support website at www.adelaide.edu.au/its/student_support/

You will also have access to a postgraduate student room equipped with computers, a printer and photocopier. The room is located in Room 916, Level 9, Napier Building. Swipe card access is arranged automatically upon enrolment and staff in the School of Humanities (Level 7, Napier Building) can give you a login and password for the printer and photocopier. Further details will be provided in February.

All University of Adelaide students are also eligible for a wide range of free student services. For further information, visit www.adelaide.edu.au/student/current or download a guide to student services at: www.adelaide.edu.au/publications/pdfs/stud_serv.pdf

We look forward to your participation in this program.
