**Deferring Your Enrolment**

If you wish to defer your enrolment in the program to 2017, please email your request to arts@adelaide.edu.au and cc arthistory@adelaide.edu.au.

If you are an international student who wishes to defer commencement to a date not specified in the Offer Acceptance Agreement, please advise the International Office of your preferred commencement date by using the Online Enquiry form at http://international.adelaide.edu.au/enquiries.

**Upgrading to a Higher Level of Award**

If you wish to upgrade to a higher level award, e.g. from the Graduate Diploma to the Masters, you should complete an internal transfer application form and submit this to the University’s Admissions Office for processing. You can submit an application at any time and the application will be processed for the next available semester, pending eligibility. The criteria for upgrades and the application form can be accessed at www.adelaide.edu.au/student/admission/internaltransfers/pgcw.html

International students will need to complete an internal transfer application available on the International Office website at www.international.adelaide.edu.au/enquiries (the enquiry form for transfers is available when applications are open).

Once you receive your offer to the new program, it **is important to enrol into your courses under the new program** rather than under your existing program. If you do not enrol your courses into the correct program, the offer will lapse and you will have to re-apply to upgrade at a later stage. Your enrolment record also will be incorrect. For further advice, contact the Faculty of Arts on 8313 5245.

**Payment of Tuition Fees**

Early in each term or semester, you will receive an online invoice through Access Adelaide. An email will be sent to your Student Web Mail account when an invoice is available. Payment due dates will be indicated on your invoice. Hard copies of invoices are **not** posted.

To view your invoice, log in to Access Adelaide at https://access.adelaide.edu.au/sa/login.asp and select:

1. My Finances
2. My Invoice

Students are also charged a Student Services and Amenities Fee (SSAF) which contributes toward the provision of student services and amenities at the University. Further information is available at www.adelaide.edu.au/student/finance/ssaf

**Student Services**

Your username and password give you access to online services and campus computer suites. This includes the Unified Portal, Access Adelaide, MyUni, Wireless Network, Student Web Mail, and University of Adelaide Library Electronic Resources. **It is important that you regularly check your student email account** as the University will correspond with you via this method. If required, you can redirect your student email account to an alternative address. For further information, visit the ITS Student Support website at www.adelaide.edu.au/its/student_support/
You will also have access to a postgraduate student room equipped with computers, a printer and photocopier. Swipe card access is arranged automatically through the School of Humanities, Level 7, Napier Building, and staff can give you a login and password for the printer and photocopier.

All University of Adelaide students are also eligible for a wide range of free student services. For further information, visit www.adelaide.edu.au/student/current or download a guide to student services at: www.adelaide.edu.au/publications

**What’s Next?**

The first class of each course in both semesters 1 and 2 is always conducted in the Art Gallery. Please meet outside the Art Gallery Bookshop entrance on the first day of class at 5.00pm sharp.

A list of key textbooks for each course is available on the Art History website and can be purchased from the Art Gallery bookshop.
