

STUDY PLAN

Bachelor of Teaching with Bachelor of Economics

STUDENTS WHO COMMENCED in either 2014 or 2015

Changes to the Bachelor of Teaching Program:

The structure of the first three years of the program is remains unchanged.

Year 4 of the program has been revitalised to allow students to complete their Education studies over three terms. This will allow eligible students to have completed their program in October and be eligible to register as a teacher from that time.

Year 4 also sees changes to the structure of placements changing, with additional opportunities to gain valuable experience teaching in Schools.

For more information, please email education@adelaide.edu.au

The requirements for the Bachelor of Economics program remain the same.

All courses are worth 3 units unless specified otherwise

STUDY PLAN

Bachelor of Teaching with Bachelor of Economics

STUDENTS WHO COMMENCE the program in **2016 or later**

Changes to the Bachelor of Teaching Program:

The basic structure of the first three years of the program is similar to past years, with the following exceptions:

- The Country School, 5 day placement will now be part of Issues in Contemporary Education and it will take place in year two.
- There will be no placement in year three and both Education courses will be offered in semester 1.

Year 4 of the program has been revitalised to allow students to complete their Education studies over three terms. This will allow eligible students to complete their program in October and be eligible to register as a teacher from that time.

Year 4 also sees changes to the structure of placements changing, with additional opportunities to gain valuable experience teaching in Schools.
